

AKSHAY DATARKAR

Wardha, Maharashtra, India — +91 8766867361 — datarkarakshay99@gmail.com
www.linkedin.com/in/akshay-datarkar — github.com/eTechieAkshay

TECHNICAL SKILLS

Programming Languages: C, C++, Java, JavaScript, PHP, Python

Frontend and Backend: HTML, CSS, TailwindCSS, RESTful API, Python Dash, MySQL

Databases: SQL, MySQL

Technologies/Frameworks: Photoshop, Linux, Kali Linux, Git, GitHub, Canva, Figma, Android Studio

SUMMARY

- Analytical MCA candidate with practical exposure in software systems, data workflows, and technical design. Adept at managing localized environments, streamlining technical workflows, and delivering structured logic across diverse enterprise roles.

EXPERIENCE

Software Engineering Intern (Simulation) – Quantum

July 2026

Software Engineer — Python Dash, Local Development, Automated Testing Suites

Remote

- Engineered and optimized an interactive Python Dash web application after architecting local development environments.
- Configured rigorous validation matrices and integrated an automated testing suite to secure continuous delivery pipelines.

Cybersecurity Analyst Intern (Simulation) – TATA Group

July 2026

Cybersecurity Analyst — IAM Fundamentals, Strategy Assessment, Custom Solutions

Remote

- Evaluated complex infrastructure constraints to perform end-to-end Identity and Access Management (IAM) assessments.
- Designed and delivered tailored corporate IAM architecture blueprints and systemic platform integration workflows.

Data Analytics Intern (Simulation) – Deloitte

June 2026

Data Analyst — Data Workflows, Forensic Technology Assignments

Remote

- Executed practical corporate data analysis models and forensic technology assignments built on real-world client cases.

Social Media Manager & Technical Lead – RAICSIT College

2025 – Present

Designer, FrontEnd Developer and Management Head — Canva, Figma, FrontEnd

Wardha, MH

- Collaborated with a team of developers to maintain institutional digital setups, ensuring high uptime and issue resolution.
- Led management and design for major academic and digital events, handling PR, website coordination, and social media promotions.
- Spearheaded technical readiness and process compliance for student-led media and IT systems, driving team productivity.

PROJECTS

LUXORA — Java, Android Studio, UI/UX (Figma)

- Developed a scalable e-book and translation prototype with a robust backend architecture and minimal vector assets.
- Mentored junior peers on clean coding standards, process compliance, and API integration during its development phase.

Ak Weather Cast — Python, REST API, Web Technologies

- Built a reliable weather application using real-time API data to simulate dynamic real-time data tracking pipelines.
- Documented end-to-end troubleshooting guides and self-help material, effectively reducing manual issue resolution for deployment issues by 30%.

EDUCATION

Master of Computer Applications (MCA)

Ranibai Agnihotri Institute of Computer Science & Information Technology (RAICSIT)

2025 – 2027 (Ongoing)

Wardha, Maharashtra

Bachelor of Computer Applications (BCA)

Rashtrasant Tukadoji Maharaj Nagpur University (RTMNU)

2022 – 2025

Nagpur, Maharashtra

CERTIFICATES / EXTRACURRICULAR

- **Introduction to Generative AI Studio:** Google Cloud (via Simplilearn) — June 2026
- **AI Fundamentals:** Google (via Coursera) — June 2026
- **Introduction to Social Media Marketing:** Meta (via Coursera) — June 2026
- **AWS Cloud Practitioner Essentials:** AWS Skill Builder — In Progress
